## PRODUCT INFORMATION

**Amino MZ** is a liquid foliar fertilizer containing Manganese and Zinc. It is formulated with Amino acid complexing technology to effectively correct and prevent deficiencies. Amino acids are readily absorbed and are essential for plant metabolism

**Foliar Nutritional Spray—Amino MZ** may be applied by air or with all types of ground spraying equipment.

**Compatibility—Amino MZ** is compatible with most common foliar pesticides and fertilizers except phosphorus acid (PO<sub>3</sub>). USER ASSUMES FULL RESPONSIBILITY to ensure compatibility when tank mixing with other products.

## SUGGESTED USES—CITRUS CROPS

**Mature Citrus**—Apply 2-4 quarts per acre.

**Young Trees**—Mix 2-4 quarts per one hundred gallons of spray solution and apply to runoff.
